

#### Project Features

Project name:	Promotion of Sanitation and Hygiene Activities
Project code:	EE-2007-01
Objective:	Promotion of sanitation and hygiene activities for World Toilet Day 2007
Project focus:	Sanitation Promotion and Training
Location:	Ifunda, Iringa Region, Tanzania
Implementation agency:	EEPCO
Funded by:	Ministry of Water
Project duration:	14 <sup>th</sup> -23 <sup>rd</sup> November 2007
Project leader(s):	Godwin Maleko, John Ngeme, Alfred Shayo
No. of beneficiaries:	22 trainees

#### Detailed Project Description

November 19<sup>th</sup> was declared World Toilet Day in 2001 by 17 associations around the world. Tanzania has been involved in the commemoration of the World Toilet Day since 2007.

EEPCO participated in the commemoration of World Toilet Day 2007, held at Ifunda (Iringa Region).

During the event, three sanitation options were constructed and demonstrated by using locally available materials: SanPlat latrine and pour flush latrine (direct and off-set). Moreover, pit lining techniques were demonstrated.

Further sanitation and hygiene promotion activities included:

- SanPlat production training
- Information and training on options for hand-washing facilities
- Training on pit lining options (dry bond) with locally available materials (trapezoidal blocks, burnt bricks)
