

Project Features

Project name:	Scaling Up of Sanitation in the 12 project districts
Project code:	EE-2007-05
Objective:	Empowering artisans through sustainable sanitation management
Project focus:	Sanitation Promotion and Training
Location:	Mpwampwa, Kongwa, Kilindi, Handeni, Iramba, Mvomero, Rufiji, Kiteto, Kilosa, Morogoro, Singida
Implementation agency:	EEPCO
Funded by:	Ministry of Water
Project duration:	09/2007 – 12/2007
Project leader(s):	Godwin C. Maleko
No. of beneficiaries:	1810 households and institutions

Detailed Project Description

The project aimed at empowering artisans through sustainable sanitation management by improving hygiene awareness and providing training in the construction of latrine components in order to improve the livelihood, environmental hygiene management and coverage in the targeted districts.

Project activities included:

- Development of promotion package
- Carrying out of sanitation drive (training, installation) and promoting use of SanPlat/Sungura slabs in latrines
- Construction of squatting plates (Sungura) and lids
- Information dissemination and social marketing of SanPlat/Sungura slabs to the communities
- Assistance of trainees in the formation of production centers for manufacturing latrine slabs and the establishment of a delivery system to the households.
